

1 Why are we here today?

We are here to help you help us.

We have been collecting information and assessing new data to determine what we think is the best solution to manage the risk of river flooding in Stonehaven.

It is vital that the local community and businesses of Stonehaven have their say on the developing plans.

We would like to tell you how we have come to this preferred flood protection scheme and understand your support for the developing plans.

How will we use the information?

We will use the information you provide to further develop the design of the Stonehaven flood protection scheme and get the necessary agreements to move on to the next stage of the process.
