## Section 4: Registration Of Interests

4.1 The following paragraphs set out what I have to register when I am appointed and whenever my circumstances change. The register covers my current term of appointment.

4.2 I understand that regulations made by the Scottish Ministers describe the detail and timescale for registering interests; including a requirement that a board member must register their registrable interests within one month of becoming a board member, and register any changes to those interests within one month of those changes having occurred.

4.3 The interests which I am required to register are those set out in the following paragraphs. Other than as required by paragraph 4.23, I understand it is not necessary to register the interests of my spouse or cohabitee.

### Category One: Remuneration

4.4 I will register any work for which I receive, or expect to receive, payment.

I have a registrable interest where I receive remuneration by virtue of being:

- a) employed;
- b) self-employed;
- c) the holder of an office;
- d) a director of an undertaking;
- e) a partner in a firm;
- f) appointed or nominated by my public body to another body; or
- g) engaged in a trade, profession or vocation or any other work.

4.5 I understand that in relation to 4.4 above, the amount of remuneration does not require to be registered. I understand that any remuneration received as a board member of this specific public body does not have to be registered.

4.6 I understand that if a position is not remunerated it does not need to be registered under this category. However, unremunerated directorships may need to be registered under Category Two, "Other Roles".

4.7 I must register any allowances I receive in relation to membership of any organisation under Category One.

4.8 When registering employment as an employee, I must give the full name of the employer, the nature of its business, and the nature of the post I hold in the organisation.

4.9 When registering remuneration from the categories listed in paragraph 4.4 (b) to (g) above, I must provide the full name and give details of the nature of the business, organisation, undertaking, partnership or other body, as appropriate. I recognise that some other employments may be incompatible with my role as board member of my public body in terms of paragraph 6.7 of this Code.

4.10 Where I otherwise undertake a trade, profession or vocation, or any other work, the detail to be given is the nature of the work and how often it is undertaken.

4.11 When registering a directorship, it is necessary to provide the registered name and registered number of the undertaking in which the directorship is held and provide information about the nature of its business.

4.12 I understand that registration of a pension is not required as this falls outside the scope of the category.

#### Category Two: Other Roles

4.13 I will register any unremunerated directorships where the body in question is a subsidiary or parent company of an undertaking in which I hold a remunerated directorship.

4.14 I will register the registered name and registered number of the subsidiary or parent company or other undertaking and the nature of its business, and its relationship to the company or other undertaking in which I am a director and from which receive remuneration.

#### Category Three: Contracts

4.15 I have a registerable interest where I (or a firm in which I am a partner, or an undertaking in which I am a director or in which I have shares of a value as described in paragraph 4.19 below) have made a contract with my public body:

- a) under which goods or services are to be provided, or works are to be executed; and
- b) which has not been fully discharged.

4.16 I will register a description of the contract, including its duration, but excluding the value.

#### Category Four: Election Expenses

4.17 If I have been elected to my public body, then I will register a description of, and statement of, any assistance towards election expenses relating to election to my public body.

#### Category Five: Houses, Land and Buildings

4.18 I have a registrable interest where I own or have any other right or interest in houses, land and buildings, which may be significant to, of relevance to, or bear upon, the work and operation of my public body.

4.19 I accept that, when deciding whether or not I need to register any interest I have in houses, land or buildings, the test to be applied is whether a member of the public, with knowledge of the relevant facts, would reasonably regard the interest as being so significant that it could potentially affect my responsibilities to my public body and to the public, or could influence my actions, speeches or decision making.

#### Category Six: Interest in Shares and Securities

4.20 I have a registerable interest where:

- a) I own or have an interest in more than 1% of the issued share capital of the company or other body; or
- b) Where, at the relevant date, the market value of any shares and securities (in any one specific company or body) that I own or have an interest in is greater than £25,000.

#### Category Seven: Gifts and Hospitality

4.21 I understand the requirements of paragraphs 3.13 to 3.21 regarding gifts and hospitality. As I will not accept any gifts or hospitality, other than under the limited circumstances allowed, I understand there is no longer the need to register any.

#### Category Eight: Non-Financial Interests

4.22 I may also have other interests and I understand it is equally important that relevant interests such as membership or holding office in other public bodies, companies, clubs, societies and organisations such as trades unions and voluntary organisations, are registered and described. In this context, I understand non-financial interests are those which members of the public with knowledge of the relevant facts might reasonably think could influence my actions, speeches, votes or decision-making in my public body (this includes its Committees and memberships of other organisations to which I have been appointed or nominated by my public body).

#### Category Nine: Close Family Members

4.23 I will register the interests of any close family member who has transactions with my public body or is likely to have transactions or do business with it.

## Section 5: Declaration Of Interests

### Stage 1: Connection

5.1 For each particular matter I am involved in as a board member, I will first consider whether I have a connection to that matter.

5.2 I understand that a connection is any link between the matter being considered and me, or a person or body I am associated with. This could be a family relationship or a social or professional contact.

5.3 A connection includes anything that I have registered as an interest.

5.4 A connection does not include being a member of a body to which I have been appointed or nominated by my public body as a representative of my public body, unless:

- a) The matter being considered by my public body is quasi-judicial or regulatory; or
- b) I have a personal conflict by reason of my actions, my connections or my legal obligations.

### Stage 2: Interest

5.5 I understand my connection is an interest that requires to be declared where the objective test is met – that is where a member of the public with knowledge of the relevant facts would reasonably regard my connection to a particular matter as being so significant that it would be considered as being likely to influence the discussion or decision-making.

### Stage 3: Participation

5.6 I will declare my interest as early as possible in meetings. I will not remain in the meeting nor participate in any way in those parts of meetings where I have declared an interest.

5.7 I will consider whether it is appropriate for transparency reasons to state publicly where I have a connection, which I do not consider amounts to an interest.

5.8 I note that I can apply to the Standards Commission and ask it to grant a dispensation to allow me to take part in the discussion and decision-making on a matter where I would otherwise have to declare an interest and withdraw (as a result of having a connection to the matter that would fall within the objective test). I note that such an application must be made in advance of any meetings where the dispensation is sought and that I cannot take part in any discussion or decisionmaking on the matter in question unless, and until, the application is granted.

5.9 I note that public confidence in a public body is damaged by the perception that decisions taken by that body are substantially influenced by factors other than the public interest. I will not accept a role or appointment if doing so means I will have to declare interests frequently at meetings in respect of my role as a board member. Similarly, if any appointment or nomination to another body would give rise to objective concern because of my existing personal involvement or affiliations, I will not accept the appointment or nomination.
