# 1. Overview

This document has been generated from information entered into the Integrated Impact Assessment system.

This assessment will evaluate the potential risk in increasing the level of efficiency savings across each of the three sectors.

During screening 0 of 10 questions indicated that detailed assessments were required, the screening questions and their answers are listed in the next section. This led to 0 out of 5 detailed impact assessments being completed. The assessments required are:

In total there are 0 positive impacts as part of this activity. There are 0 negative impacts, all impacts have been mitigated.

A detailed action plan with 0 points has been provided.

This assessment has been approved by [annemarie.daviesmacleod@aberdeenshire.gov.uk](mailto:annemarie.daviesmacleod@aberdeenshire.gov.uk).

The remainder of this document sets out the details of all completed impact assessments.

## 2. Screening

|   |    |
|---|----|
| Could your activity / proposal / policy cause an impact in one (or more) of the identified town centres?  | No |
| Would this activity / proposal / policy have consequences for the health and wellbeing of the population in the affected communities?   | No |
| Does the activity / proposal / policy have the potential to affect greenhouse gas emissions (CO2e) in the Council or community and / or the procurement, use or disposal of physical resources? | No |
| Does the activity / proposal / policy have the potential to affect the resilience to extreme weather events and/or a changing climate of Aberdeenshire Council or community?                    | No |
| Does the activity / proposal / policy have the potential to affect the environment, wildlife or biodiversity?   | No |
| Does the activity / proposal / policy have an impact on people and / or groups with protected characteristics?  | No |
| Is this activity / proposal / policy of strategic importance for the council?   | No |
| Does this activity / proposal / policy impact on inequality of outcome?   | No |
| Does this activity / proposal / policy have an impact on children / young people's rights?  | No |
| Does this activity / proposal / policy have an impact on children / young people's wellbeing?   | No |

## 3. Impact Assessments

|                                     |              |
|-------------------------------------|--------------|
| Children's Rights and Wellbeing     | Not Required |
| Climate Change and Sustainability   | Not Required |
| Equalities and Fairer Scotland Duty | Not Required |
| Health Inequalities                 | Not Required |
| Town Centre's First                 | Not Required |

## **4. Justification**

These efficiency charges will be deducted centrally from school budgets and incorporated into each Head Teachers spending plan for the year concerned. It is worth noting that these proposed increases in efficiency charging are well below most other local authorities in the country. Head Teachers have been made aware that these savings are being considered and seem to have accepted them as a necessary measure at this current time.
