Gender reassignment – (includes Transgender)			X	
Marriage and Civil Partnership			X	

Stage 7b: Do you have evidence or reason to believe that this policy, activity etc. will or may impact on socio-economic inequalities?

This is about trying to be fair to everyone. Part of that is realising that not everyone may be starting at the same place. Some individuals and families may have low income, may have very little or no savings which means they are living from month to month therefore changes to council policies/services may have a greater adverse impact on them.

On this basis you should consider potential impacts on individuals/families by:

- Place: on specific vulnerable areas or communities (SIMD, regeneration, rural) e.g., housing, transport.
- Pockets: household resources, (Income, benefits, outgoings) ability to access a service
- Prospects: peoples life chances e.g., access to, or ability to access employment, training, services (such as council or health) or support.

Groups of people who may be impacted include, but not limited to:

<ul style="list-style-type: none"> <li>• Unemployed</li> <li>• Single parents and vulnerable families</li> <li>• People on benefits</li> <li>• Those involved in the criminal justice system</li> <li>• People in the most deprived communities</li> <li>• People who live in rural areas</li> </ul>	<ul style="list-style-type: none"> <li>• Pensioners</li> <li>• Looked after children</li> <li>• Carers including young carers</li> <li>• Veterans</li> <li>• Students</li> <li>• Single adult households</li> <li>• People who have experienced the asylum system</li> </ul>	<ul style="list-style-type: none"> <li>• Those leaving the care setting including children and young people and those with illness</li> <li>• Homeless people</li> <li>• People with low literacy/numeracy</li> <li>• People with lower educational qualifications</li> <li>• People in low paid work</li> <li>• People with one or more protected characteristic</li> </ul>
------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------	------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------

Please complete by inserting “yes” in the applicable box/boxes below.

Socio-economic disadvantage	Positive	Negative	Neutral	Unknown
Pockets: Low income/income poverty – cannot afford to maintain regular payments such as bills, food, clothing			X	

Pockets: Low and/or no wealth – enough money to meet basic living costs and pay bills but have no savings to deal with any unexpected spends and no provision for the future			X	
Pockets: Material deprivation – being unable to access basic goods and services i.e., financial products like life insurance, repair/replace broken electrical goods, warm home, leisure and hobbies			X	
Place: Area deprivation – where you live, where you work			X	
Prospects: Socioeconomic background – social class i.e. parents education, employment and income, educational achievement.			X	

Stage 8: What are the positive and negative impacts?		
Impacts.	Positive	Negative
Please detail the potential positive and/or negative impacts you have highlighted above. Detail the impacts and describe those affected.	N/A	N/A

Stage 9: Have any of the affected groups/areas been involved, engaged with or consulted?

<p>If yes, please give details of how this was done and what the results were. If no, how have you ensured that you can make an informed decision about mitigating steps?</p>	<p>The proposal involves the removal of long-term vacant posts meaning that there will be no negative impact on protected groups or socio-economic inequalities. Within the Planning &amp; Environment Service there is a balanced workforce with regard to demographics.</p>
