

Closure of Fisherford School Pupil Engagement

Fisherford School has been temporarily closed since 2021. The Council is proposing to close Fisherford School and merge it with your school. This means that you may have slightly more children attending your school and your class. One of the things we have to do when we are thinking about closing a school, is to talk to all of the children who will be affected by this change to find out what they think about it. We have already asked all the parents/careers what they think, but this is your chance to tell us about it.

1. What do you think might be some advantages of a larger school?

More people to play with. Different teachers. Not being with your brother all the time.

2. What do you think might be some disadvantages of a larger school?

Less attention. More people.

3. What do you think might be some advantages of a smaller school?

Like a family. Know everyone really well. More attention – work with PSA all the time.

4. What do you think might be some disadvantages of a smaller school?

Less people to play with. Nobody to play with if you fall out with your friend.

5. Is there anything that worries you about merging Easterfield School with your school?

Miss the old school.

6. Is there anything that excites you about merging Easterfield School with your school?

More friends.

7. Is there anything that you think the Council should consider prior to making the final decision on this proposal?

No
