Notes on Payments Made

- Note 1. The Scheme for councillors' allowances is not the same as that for MPs, MEPs or MSPs. councillors receive a basic salary and are entitled to claim for a limited range of expenses. These are limited to essential travel and subsistence directly related to their duties as councillors. Costs related to the employment of staff, second homes or furnishings etc are not, and never have been, included in the scheme. The only such claim that can be made is an annual figure of £50 that is paid where a councillor chooses to make his or her personal computer available for council use.
- Note 2. Car and Van Mileage - The total cost of mileage claimed for Councillors on approved duties.
- Note 3. Subsistence & Other Expenses Claimed - The total cost of Subsistence & Other expenses claimed - this is all receipted expenditure.
- Note 4. Travel Paid by Council - the cost of Travel arranged and paid for by the council.
- Note 5. Employers NI- the cost of Employers National Insurance contributions made by the Council.
- Note 6. Employers Pension - the cost of Employers Pension contributions made by the Council.
- Note 7. Total Salary & Expenses, The total cost to the council for each councillor.
- Note 8. Remuneration for Councillors was increased by 1% effective from 1 April 2014
- Note 9. Employers pension contributions are lower than 2013-14 because of the way they were applied this year. Previous 5 years - paid advance deficit and this was deducted at 19.3% and then adjusted to 14.4%. This was amended last year following an Audit Scotland recommendation to apply as 14.4%.
