Evidence	What does it say?	What does it mean?

Internal data (customer satisfaction surveys; equality monitoring data; customer complaints).	Budget monitoring over a number of years across Comms and PP&I.	This means that we have an understanding where there is potential to reduce some budget lines within CCI without impacting on service delivery.
Internal consultation with staff and other services affected.	<p>Consultation with team leaders in affected areas, such as access panel lead, comms team lead.</p> <p>Discussion and consultation with substantive Service Manager for PP&I on removal of post.</p>	This means that key staff have been involved in supporting and developing the outcomes of proposed budget savings above.
External consultation (partner organisations, community groups, and councils).	Working with all three Access Panels when the West Panel folded and engaged with the remaining panels on absorbing the West Panel into existing structures.	The West Panels workload was absorbed by both central and South Aberdeenshire Access Panels. The Access Panel Co-ordinator will continue to support the panels.

- Place: on specific vulnerable areas or communities (SIMD, regeneration, rural) e.g. housing, transport.
- Pockets: household resources, (Income, benefits, outgoings) ability to access a service
- Prospects: peoples life chances e.g.access to, or ability to access: employment, training, services (such as council or health) or support.

Groups of people who may be impacted include, but not limited to:

<ul style="list-style-type: none"> • Unemployed • Single parents and vulnerable families • People on benefits • Those involved in the criminal justice system • People in the most deprived communities • People who live in rural areas 	<ul style="list-style-type: none"> • Pensioners • Looked after children • Careers including young carers • Veterans • Students • Single adult households • People who have experienced the asylum system 	<ul style="list-style-type: none"> • Those leaving the care setting including children and young people and those with illness • Homeless people • People with low literacy/numeracy • People with lower educational qualifications • People in low paid work • People with one or more protected characteristic

Pockets: Material deprivation – being unable to access basic goods and services i.e. financial products like life insurance, repair/replace broken electrical goods, warm home, leisure and hobbies			x
