

EQUALITY IMPACT ASSESSMENT

EIA Version	Date	Author	Changes
1	22/01/2021	Claire Loney	

Stage 1: Title and aims of the activity (“activity” is an umbrella term covering policies, procedures, guidance and decisions including those that affect services the council delivers).

Service	Infrastructure Services
Section	Roads, Landscape and Waste Services
Title of the activity etc.	Waste Disposal - Reduced Agency for Waste Disposal
Aims and desired outcomes of the activity	To reduce the number of occasions that agency workers are engaged to backfill waste disposal work in the operation of household recycling centres and waste transfer operations. This will serve to reduce the Council’s budget deficit
Author(s) & Title(s)	Claire Loney Team Manager Processing and Disposal

Stage 2: List the evidence that has been used in this assessment and explain what it means in relation to the activity you are assessing.

Evidence	What does it say?	What does it mean?
Internal data (customer satisfaction surveys; equality monitoring data; customer complaints).		
Internal consultation with staff and other services affected.	Landscapes services HR as there is an agency framework	May have an impact on landscapes service delivery main impact on landscape services and can be viewed in their EqIA Reducing agency will impact in the viability of the agency framework and

External consultation (partner organisations, community groups, and councils).	Agency companies have not been consulted but this would have an impact on their operations and should be consulted	Not providing agency assignments may affect the ability of agencies to operate locally to Aberdeenshire. May have an impact on provision of work (through agency) to more deprived areas of the community.
External data (census, available statistics).		
Other (general information as appropriate).		

Stage 3: Evidence Gaps.	
Are there any gaps in the information you currently hold?	No

Stage 4: Measures to fill the evidence gaps.		
What measures will be taken to fill the information gaps before the activity is implemented? These should be included in the action plan at the back of this form.	Measures:	Timescale:

Stage 5: What steps can be taken to promote good relations between various groups/areas?	
These should be included in the action plan.	Continued liaison between Waste Management Facilities Officers from Waste, Roads and Landscape Services on requirements of staff to prioritise critical activities

Stage 6: How does the policy/activity create opportunities for advancing equality of opportunity?

Not applicable

Stage 7a:

Are there potential impacts on protected groups?

The protected groups covered by the equality duty are age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex and sexual orientation.

Who is affected by the activity or who is intended to benefit from the proposed activity and how? Complete the table below for each protected group by inserting “yes” in the applicable box/boxes below.

Stage 7b: Do you have evidence or reason to believe that this policy, activity etc. will or may impact on socio-economic inequalities?

This is about trying to be fair to everyone. Part of that is realising that not everyone may be starting at the same place. Some individuals and families may have low income, may have very little or no savings which means they are living from month to month therefore changes to council policies/services may have a greater adverse impact on them.

On this basis you should consider potential impacts on individuals/families by:

- Place: on specific vulnerable areas or communities (SIMD, regeneration, rural) e.g., housing, transport.
- Pockets: household resources, (Income, benefits, outgoings) ability to access a service
- Prospects: peoples life chances e.g., Access to, or ability to access employment, training, services (such as council or health) or support.

Groups of people who may be impacted include, but not limited to:

<ul style="list-style-type: none"> • Unemployed • Single parents and vulnerable families • People on benefits • Those involved in the criminal justice system • People in the most deprived communities • People who live in rural areas 	<ul style="list-style-type: none"> • Pensioners • Looked after children • Careers including young carers • Veterans • Students • Single adult households • People who have experienced the asylum system 	<ul style="list-style-type: none"> • Those leaving the care setting including children and young people and those with illness • Homeless people • People with low literacy/numeracy • People with lower educational qualifications • People in low paid work • People with one or more protected characteristic

-----------------------------	----------	----------	---------	---------

Pockets: Low income/income poverty – cannot afford to maintain regular payments such as bills, food, clothing			Yes	
Pockets: Low and/or no wealth – enough money to meet basic living costs and pay bills but have no savings to deal with any unexpected spends and no provision for the future			Yes	
Pockets: Material deprivation – being unable to access basic goods and services i.e. financial products like life insurance, repair/replace broken electrical goods, warm home, leisure and hobbies			Yes	
Place: Area deprivation – where you live, where you work		Yes		
Prospects: Socioeconomic background – social class i.e. parents education, employment and income , educational achievement.			Yes	

Stage 8: What are the positive and negative impacts?		
Impacts.	Positive (describe the impact for each of the protected characteristics affected)	Negative (describe the impact for each of the protected characteristics affected)

Please detail the potential positive and/or negative impacts you have highlighted above. Detail the impacts and describe those affected.		Reducing reliance on agency staff is only achievable through more flexible deployment of operational staff across the entire Roads, Landscape and Waste workforce. Redeployment of personnel will have impacts on activities that are considered to be of lower priority.

Stage 9: Have any of the affected groups/areas been involved, engaged with or consulted?

If yes, please give details of how this was done and what the results were. If no, how have you ensured that you can make an informed decision about mitigating steps?	There are no affected groups
--	------------------------------

Stage 10: What mitigating steps will be taken to remove or reduce negative impacts?

	Mitigating Steps	Timescale
These should be included in any action plan at the back of this form.	Working closely with Landscape Services to prioritise critical services	Ongoing

Stage 11: What monitoring arrangements will be put in place? How the EIA will be used to monitor the proposal

These should be included in any action plan (for example customer satisfaction questionnaires).	There are no affected groups
