## Integrated Impact Assessment

### Waste Collection and Disposal

Assessment ID	IIA-001187
Lead Author	Ewan Wallace
Additional Authors	Shirley Bowie
Service Reviewers	Ros Baxter
Approved By	Alan Wood
Approved On	Wednesday February 15, 2023
Publication Date	Friday February 17, 2023

# 1. Overview

This document has been generated from information entered into the Integrated Impact Assessment system.

Savings associated with revised processes for the collection and disposal of Waste. The revised collection approach is as per agreed at ISC on 20th January 2022. That work was supported by a stand alone IIA in line with the reporting processes for Policy Committees. The waste collection changes are as per the ISC Report of 20th January 2022. The revised disposal process involves the passing of residual waste to the Energy from Waste plant being constructed in Aberdeen and funded jointly by Moray, Aberdeenshire and Aberdeen City Councils.

During screening 0 of 10 questions indicated that detailed assessments were required, the screening questions and their answers are listed in the next section. This led to 0 out of 5 detailed impact assessments being completed. The assessments required are:

In total there are 5 positive impacts as part of this activity. There are 8 negative impacts, all impacts have been mitigated.

A detailed action plan with 2 points has been provided.

This assessment has been approved by alan.wood@aberdeenshire.gov.uk.

The remainder of this document sets out the details of all completed impact assessments.

## 2. Screening

Could your activity / proposal / policy cause an impact in one (or more) of the identified town centres?	No
Would this activity / proposal / policy have consequences for the health and wellbeing of the population in the affected communities?	No
Does the activity / proposal / policy have the potential to affect greenhouse gas emissions (CO2e) in the Council or community and / or the procurement, use or disposal of physical resources?	No
Does the activity / proposal / policy have the potential to affect the resilience to extreme weather events and/or a changing climate of Aberdeenshire Council or community?	No
Does the activity / proposal / policy have the potential to affect the environment, wildlife or biodiversity?	No
Does the activity / proposal / policy have an impact on people and / or groups with protected characteristics?	No
Is this activity / proposal / policy of strategic importance for the council?	No
Does this activity / proposal / policy impact on inequality of outcome?	No
Does this activity / proposal / policy have an impact on children / young people's rights?	No
Does this activity / proposal / policy have an impact on children / young people's wellbeing?	No

## 3. Impact Assessments

Children's Rights and Wellbeing	Not Required
Climate Change and Sustainability	Not Required
Equalities and Fairer Scotland Duty	Not Required
Health Inequalities	Not Required
Town Centre's First	Not Required

## **4. Justification**

The savings identified in relation to the operation of the Energy From Waste plant have been previously identified and agreed. The figures for 2023/24 budget do vary due to differential contract rates associated with the electricity being produced and not because of any altered activity/proposal/policy
