To whom it may concern,

Re: Tolbooth Museum

Our children enjoy visits to the Tolbooth Museum, seeing things that were important to their parents and grandparents, and other historical facts about Stonehaven. Hopefully this interest will continue in their future lives, with them and their children. The transfer of the building to the Tolbooth Association should ensure that this experience is available to future generations and so we fully support STA's CAT application.

Dear Sir/Madam,

I recently visited the Tolbooth Museum and was hugely impressed by the sheer amount of local history on offer. I received a warm welcome from the staff and I had a most enjoyable time perusing the displays.

I believe the museum is now run by a local volunteer group. May I commend you on the excellent achievement of really bringing the place to life and filling it with so many gems. Not to mention the informative text panels. Also nice to see the traditional identity of Kincardineshire fully recognised.

I have already recommended the Tolbooth to family and friends. May I wish your project every success for the future.

Yours Sincerely,
