Stage 2: List the evidence that has been used in this assessment and explain what it means in relation to the activity you are assessing.

Evidence	What does it say?	What does it mean?
Internal data (customer satisfaction surveys; equality monitoring data; customer complaints).	List of projects identified with the NOAHII prioritisation model	There are still individual projects that would benefit from intervention. The programme will continue to be developed and work prioritised in line with budget provision
Internal consultation with staff and other services affected.	Flood Team	Works will continue to be prioritised in the same manner. The delivery of the overall programme will potentially be slower than originally envisaged, but will not have a disproportionate impact on protected characteristics
External consultation (partner organisations, community groups, and councils).	None	
External data (census, available statistics).	None	
Other (general information as appropriate).	None	

Stage 3: Evidence Gaps.	
Are there any gaps in the information you currently hold?	No

Stage 4: Measures to fill the evidence gaps.		
What measures will be taken to fill the information gaps before the activity is implemented? These should be included in the action plan at the back of this form.	Measures:	Timescale:

Stage 5: What steps can be taken to promote good relations between various groups/areas?	
These should be included in the action plan.	

Stage 6: How does the policy/activity create opportunities for advancing equality of opportunity?

Stage 7a:				
Are there potential impacts on protected groups?				
The protected groups covered by the equality duty are: age, disability, gender reassignment, pregnancy and maternity, race, religion or belief, sex and sexual orientation.				
Who is affected by the activity or who is intended to benefit from the proposed activity and how? Complete the table below for each protected group by inserting "yes" in the applicable box/boxes below.

Stage 7b: Do you have evidence or reason to believe that this policy, activity etc. will or may impact on socio-economic inequalities?

This is about trying to be fair to everyone. Part of that is realising that not everyone may be starting at the same place. Some individuals and families may have low income, may have very little or no savings which means they are living from month to month therefore changes to council policies/services may have a greater adverse impact on them.

On this basis you should consider potential impacts on individuals/families by:

- Place: on specific vulnerable areas or communities (SIMD, regeneration, rural) e.g. housing, transport.
- Pockets: household resources, (Income, benefits, outgoings) ability to access a service
- Prospects: peoples life chances e.g.access to, or ability to access: employment, training, services (such as council or health) or support.

Groups of people who may be impacted include, but not limited to:

<ul style="list-style-type: none"> • Unemployed • Single parents and vulnerable families • People on benefits • Those involved in the criminal justice system • People in the most deprived communities • People who live in rural areas 	<ul style="list-style-type: none"> • Pensioners • Looked after children • Careers including young carers • Veterans • Students • Single adult households • People who have experienced the asylum system 	<ul style="list-style-type: none"> • Those leaving the care setting including children and young people and those with illness • Homeless people • People with low literacy/numeracy • People with lower educational qualifications • People in low paid work • People with one or more protected characteristic
