It's lovely to socialise with other
mums, parents, etc + for my son
to socialise with children his
age. Love the songs + the ladies
who run it are just lovely.
The cakes are an added bonus! (')

Allows myself & my daughter
to interact & socialise with

A lovely group to visit, so friendly.
Very well organised music group
which my daughter loves and we
have been attending for over a year.
My 4 year old also went to
the October Holiday club which
he loved.

Recently music provides a
great space for children &
their parents/carers to socialise.
Children learn great skills from
the music and always have
every minute!

I take my 2 grandchildren to Mainly
Music every week, it's a wonderful
group where the children do singing
and ~~games~~^{movement}, and mums and grannies
get a chance to catch up over a cuppie
and delicious home baking, all for the
princely sum of £3. Benefits the

The mainly music group provides a fun,
and educational session that a lot of
young children in the community really
enjoy (and parents appreciate!)

This is a FANTASTIC group. Friendly
+++, both for children & adults.
They put sooo much effort into
everything they do, they are warm
and inviting and nothing is too
much bother. I am so glad this
group exists. It is also the best
value for money I
have ever had
